Little Sally Water

Source:
Traditional

Game Directions
Children join hands in a circle, with one child in the center as "Sally," covering his or her eyes with two hands. The circle moves around as they sing the song. The child in the center imitates the song all the way through, pointing to another child in the circle at the end of the song, still covering the eyes with one hand. The chosen child becomes "Sally," goes to the center and the game starts again.
